IOGP Outstanding Young Professional Award

Nominations are now open

About the award

IOGP is opening nominations to its biennial Outstanding Young Professional Award to inspire the next generation of leaders dedicated to promoting safe, responsible and sustainable exploration and production operations.

In association with the SPE Health, Safety, Environment, and Sustainability Conference, the IOGP Outstanding Young Professional Award recognises the achievements of an individual with fewer than 10 years of professional E&P experience.

The recipient must have demonstrated professional accomplishments and evidence of outstanding talent, dedication and leadership in at least one aspect of health, safety, security, sustainability, the environment or social responsibility.

IOGP and SPE are looking to senior members of the Health, Safety, Environment, and Sustainability community to nominate candidates for the award.

To nominate please visit our information site:
