

# IOGP Membership Fees

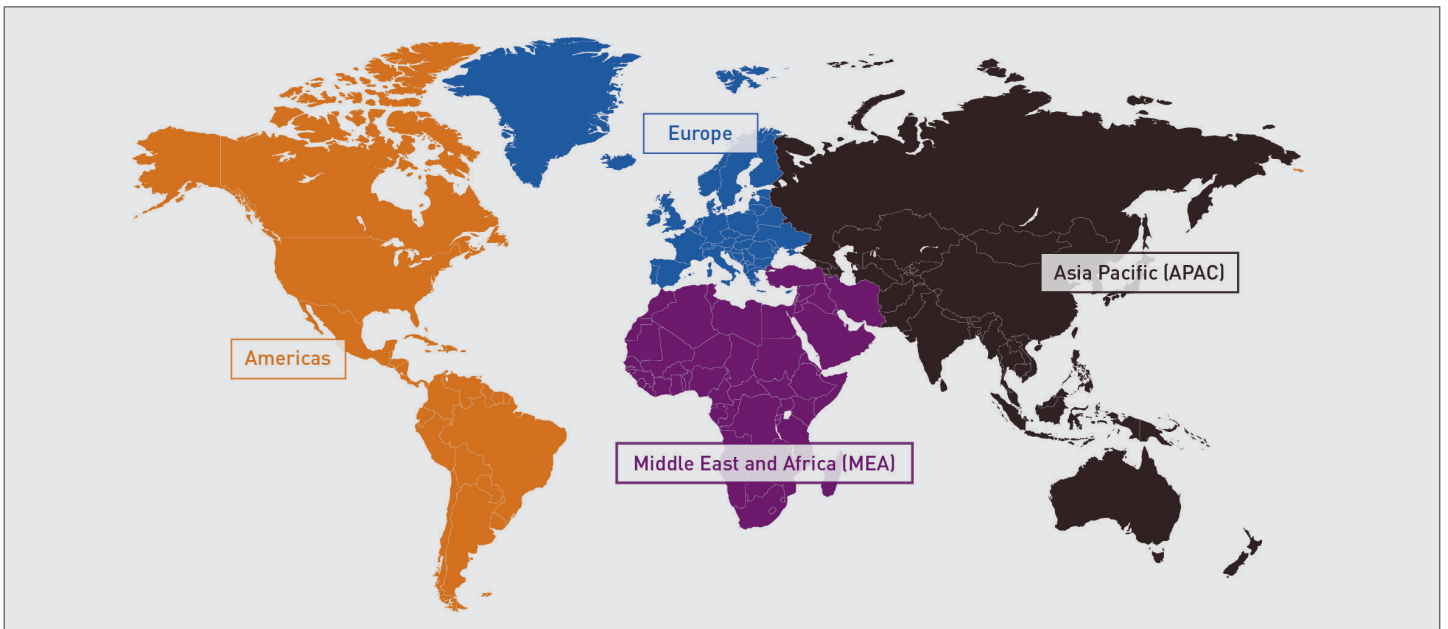

# 2023

## Company Members

Members<sup>1</sup> are allocated to a **Group** according to the regions in which they have an **interest in operations**<sup>2</sup> and the level of company gross BOE global hydrocarbon production.

The IOGP operating regions are:

- 1 Americas, 2 Asia Pacific, 3 Europe, and 4 Middle East & Africa

The Production Tiers are:

Tier	Company Gross BOE Global Production
1	including and above 1.5 million boe/d
2	including and above 0.5 million boe/d
3	including and above 0.1 million boe/d
4	below 0.1 million boe/d

Groups are assigned according to the number of operating regions and production tier:

IOGP Fee Groups		Regions			
		1	2	3	4
Production	1	Group B	Group A	Group A	Group A
	2	Group C	Group B	Group B	Group B
	3	Group D	Group C	Group C	Group B
	4	Group D	Group D	Group C	Group C

<sup>1</sup> For types of Membership please refer to the IOGP Memorandum and Articles of Association.

<sup>2</sup> Includes Joint Ventures (JVs), licences, etc. For full detail please refer to the IOGP Memorandum and Articles of Association.

# Membership Fees

## 2023 Base Fee

The Global Base Fee for 2023, payable by all IOGP Members, is **£30,000** (Sterling).

## 2023 Global Multiplier

The Global Base Fee is then subject to the **2023 Global Multiplier**, according to Group.

Group A	2023 Global Multiplier
A	10
B	6
C	3
D	1

## Associate Members

**Associate Members are in Group C**, regardless of global operating regions, and subject to the Group C multiplier.

In addition, a **0.5 multiplier** is applied in recognition of Associate Members' non-voting status.

## Association Members

Association Members are in Group D, and subject to the Group D multiplier.

## European Service Fee

The European Service Fee, payable by Members declaring an interest in Europe, is: **€53,000 p.a.** to cover the cost of running the Brussels office and its associated activity<sup>3</sup>. The European Service Fee is subject to the 2023 European Multiplier according to company Group.

## 2023 European Multiplier

Group A	2023 European Multiplier
A	4
B	3
C	2
D	1

## Examples<sup>4</sup>

a) Company Member operating in all 4 regions (including Europe), with 4.3 million boe/d production.

*£30,000 p.a. x 10 (Group A) = £300,000 p.a.*

*plus European Service Fee of €53,000 p.a. x 4 (Group A) = €212,000 p.a.*

b) Company Member operating in 2 regions (excluding Europe), with 1.2 million boe/d production.

*£30,000 p.a. x 6 (Group B) = £180,000 p.a. with no European Service Fee*

c) Associate Member operating globally (including Europe).

*£30,000 p.a. x 3 (Group C) x 0.5 = £45,000 p.a.*

*plus European Service Fee of €53,000 p.a. x 2 (Group C) x 0.5 (Associate multiplier) = €53,000 p.a.*

<sup>3</sup> Sterling & Euro amounts to be paid into separate accounts.
